

Supply, Develop and Implement Integrated Statistical System

Bank Negara Malaysia (BNM) is inviting qualified and experienced Solution Providers (SPs) to submit a comprehensive and complete proposal for the supply, development and implementation of an integrated statistical system. The proposal for the integrated statistical system should be an end-to-end solution, covering data sourcing, data integration and storage as well as data access and dissemination.

Mandatory Requirements

SP must meet the following mandatory requirements:

- 1) The SP must be an incorporated company of at least 5 years and has support office(s) in Malaysia;
- 2) All members of the consortium (if applicable) should be incorporated companies;
- 3) The SP must have positive net worth of at least RM2 million as of the latest financial year;
- 4) The SP must have at least 3 years experience in implementing and supporting data warehousing solutions (including data integration and business intelligence tools); and
- 5) The SP or consortium member must have at least one year experience in implementing online statistical submission system.

Tender Documents Fee

- 1) The tender documents fee is RM10,000 which is refundable upon submission of a proposal by the SP before the closing of the tender.
- 2) Payment must be made via a Banker's cheque payable to Bank Negara Malaysia.
